

We are the Kosko Dust Devils - a local youth clay target shooting team out of Warsaw, IN. Our shooters range from Rookies (5th grade or younger) to Varsity high school athletes. Shooters may shoot Sporting Clays, Skeet, and Trap in the competitive SCTP (Scholastic Clay Target Program) league.

Participation in clay target sports is becoming more popular than ever! Contests are offered locally, regionally, and nationwide. Our competitive program is a feeder organization for college athletics and USA Shooting while providing lifelong enrichment for each of its participants.

Shotgun shooting is a very rewarding but also very expensive sport. We practice several days per week which consumes many clay targets and boxes of ammunition. We participate in local, state, and national tournaments sponsored by great organizations such as SCTP, USA Shooting, NSSA, and NSCA, in which many of our team members have excelled.

In 2023, Kosko Dust Devils was one of the top youth teams in the state of Indiana. We won the Indiana State Team events in Skeet and Sporting Clays in Varsity, Intermediate and Rookie divisions. Individually we took the top spots in multiple age brackets in Skeet and Sporting Clays. We had the Top Overall shooter in the state, along with 3 of the Top 5 shooters in the state.

Our team will participate in a minimum of 4 SCTP events in the spring and summer of 2024, including the Indiana State Championships in June and the National Championships in Marengo, Ohio in July.

In 2024, we are looking to expand our schedule with additional events. We are also looking to add members to our team and team assets. Our goal is to expand and spread the enjoyment of clay target sports across Northern Indiana. As part of this expansion, we are looking to raise money in the following area:

- We are looking to purchase ammunition that will allow us to practice and compete.
- Currently, each practice costs us \$18/shooter for targets, plus the cost of ammunition. To stay competitive we need to practice 2-3 days a week during our season, so you can see that those costs add up fast.
- Purchase of Team gear - Jerseys, practice shirts, vests, hats, etc.
- The purchase of up to 5 club shotguns. This will allow us to introduce clay shooting to new shooters who may not have a shotgun of their own just yet.

Our expansion needs your help! We offer several levels of sponsorship and opportunities to contribute to help shooting sports expand. These options are explained in detail on the following page.

Monetary donations of any amount are welcome!

In lieu of monetary donations, we also accept ammunition donations. Your donation of ammunition will help our players practice and compete at more events throughout the season. We accept: 12 or 20 gauge – #7.5, #8 or #9 shot - 1 oz or less.

The Kosko Dust Devils are a non-profit 501c3 organization. This means all donations to our team are tax-exempt. Looking for more information on our team?
